# READY TO DO MORE?

## I WOULD LOVE TO HELP

What if there were more you could do to improve your fertility, increase your chance of getting pregnant, and feel like you have more control over the whole process?

Having a clear plan based on scientific evidence and traditional herbal wisdom can help improve your fertility and avoid feeling overwhelmed, frustrated, or alone.

Especially during the first year of trying to conceive.

### SUPPLEMENT REVIEW "MINI" SESSION

30 minute appointment

You will leave with recommendations for prenatal multivitamin that would best support your body.

You have the option to purchase through my online practitioner's dispensary (Fullscript) or purchase on your own
